

WITH YOUR SUPPORT

The Anyimaber Education Sponsorship (A-YES) Program is dedicated to creating a future where every child has the opportunity to learn, grow, and thrive. By addressing financial and material and other barriers to education, A-YES empowers vulnerable children and helps lay the foundation for lasting human and community development.

Through targeted education sponsorship, the program supports school fees, uniforms, and learning materials while championing inclusion for children from vulnerable families, girls and children with disabilities.

With consistent support and community-based selection, A-YES helps learners stay in school, complete their education, and build pathways toward a brighter, more sustainable future.
